LIBERTY

Introduction

LIBERTY NATIONAL KNITTING INDUSTRY WLL(LNKI), is a 100% Qatari owned leading manufacturer of Mattresses & Bed Linens for home, hospital & hotels in the State of Qatar. **LNKI** is fully equipped with the latest modern machineries to fulfil the requirements of its valued clients. It has an edge over its competitors with its team of professional staff and highly experienced skilled workers.

LNKI started its business and commercial operations, as a subsidiary of MANAGEMENT & MARKETING ENTERPRISES WLL, in mid-May, 1991 being LIBERTY READYMADE GARMENTS INDUSTRY WLL, that supplied "Made -in-Qatar" fabric & textile products particularly ready made garments to its US-Based Clients including WALMART, K-MART & KIKOMO. Wanting to serve Qatar local market as well, and to be able to provide domestic consumers same quality service it has been known for through the years, the same management established NATIONAL KNITTING INDUSTRY WLL, which focused on the manufacture and sale of home, hospital, hotel and bed linen, using the best quality fabric and synthetic fibre at affordable cost.

NATIONAL KNITTING INDUSTRY WLL (NKI), proud of its most modern machineries, became a by-word to

the industry and became Qatar's pioneer leading manufacturer of comforter, bed sheet, duvet & duvet cover, pillow & pillowcase, getting an edge in the market due to its team of professional efficient executives and highly experienced skilled staff and workers. Hence, NKI home and bed linen dominated the local market together with LRGI garments with inclusion of logo embroidery.

In 2010, Liberty Readymade Garments Industry WLL & National Knitting Industry WLL were merged to become **LIBERTY NATIONAL KNITTING INDUSTRY WLL**, retaining the best qualities it has been known for in the business. Hence, LNKI is proud of its legacy as a manufacturing company of home, hospital, hotel & bed linen and textile in the state of Qatar.

Aside from home, hospital, hotel & bed linen, LNKI also provide all types of employees, workers & school uniform according to clients' specific logo and design.

In 2020, **LNKI** added to its production line, all kinds and sizes of mattresses using most modern mattress production machineries.

Operations for all of its production lines is presently housed in its new building at St. 38, Old Industrial Area, Doha, Qatar.

MATTRESS

Spring Mattress

Spring mattresses, are utilize dozens to hundreds of metal springs to provide an underlying support layer. They also have softer plush material layers to increase comfort.

HEALTH BENEFITS OF SPRING MATTRESS

- Better air circulation
- Hold bacteria less
- Support for the body

مراتب النوابض السلكية

المراتب ذات النوابض السلكية، هي مراتب تحتوي على عشرات إلى مئات من النوابض المعدنية لتوفير طبقة دعم أساسية للجسم. لتمنحك الراحة والأسترخاء. يجد البعض أن المراتب ذات النوابض تبدو أكثر دعمًا من الإسفنج.

Pocket Spring

Offset Spring

Bonnell Spring

Continuous Spring

Pocket Coil Mattress

As the name suggests, a pocket-coil mattress is made up of a number of metal coils or springs, each individually wrapped in a fabric "pocket" or sleeve.

BENEFITS OF POCKET COIL MATTRESS

- Individualized support
- Light and luxury
- Cool comfort
- Durability

مراتب النوابض المغلفة

تتكون المرتبة من لغائف النوابض المنفصلة المغلفة ،
بشكل فردي في «جيب» من القماش.

هذا النوع من نظام دعم النوابض المغلفة أصبح شائعاً
بشكل متزايد.

Foam Mattress

Polyurethane foam, memory foam and latex foam are the three most common types of foam used in mattresses.

BENEFITS OF FOAM MATTRESS

- Body hugging comfort
- Less back and neck pain
- Durable and Long-Lasting
- Hypo-allergenic
- Good pressure relief
- Sag free and no sinkage

مرتبة إسفنجية

اسفنج البولي يوريثان واسفنج اللاتكس
واسفنج الميموري هي الأنواع الثلاثة
الأكثر شيوعاً المستخدمة في المراتب.

Polyurethane foam

Memory Foam

Gel Foam

Reflex Foam

Latex Foam

A close-up photograph of several home textiles. In the foreground, a large teal pillow with a ruffled, rose-like texture is the central focus. To its left, a portion of a teal pillow with a white geometric pattern is visible. In the background, a teal duvet cover with a subtle floral or damask pattern is draped over a bed. The overall color palette is dominated by various shades of teal and green, accented with white patterns.

HOME TEXTILES

Comforter

Comforters typically have a polyester fiberfill and come in a variety of weights to give a lofty and cozy appearance.

Types of Comforter Shells

- Natural Fibers
- Cotton
- Bamboo
- Silk
